# Employer Outreach Services

DEPARTMENT OF YOUTH SERVICES

Our mission is to support youth committed to DYS by providing them with meaningful employment and essential life skills that foster personal growth and support their successful transition back into their community.

We firmly believe in the potential of every young person, especially those who have faced challenging circumstances.

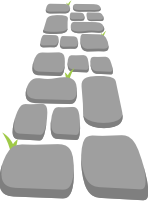

## Benefits of a Partnership

- **Transform Lives:** By providing opportunities, you offer a chance to develop skills and build confidence
- **Skilled, Dedicated Workers:** As part of treatment, youth receive education, mentorship, and training, equipping them with valuable job skills and training
- **Supported Employees:** Each of our participants has a dedicated team of case workers and career navigators supporting them
- **Community & Social Impact:** By offering employment opportunities to justice involved youth, you help break the cycle of recidivism impacting families and communities
